Building a Legacy

Brick by Brick

Over the years to come, millions of footsteps will cross the bricks of the walkways of Immaculate Heart of Mary Church.

Immaculate Heart of Mary Catholic Church is a place of serenity and contemplation, where the bricks symbolize our parishioners and the people we honor and love. Each of the named bricks permanently placed on along the Legacy Walk reflects a sense of timelessness and a sense of community.

You can become a part of this legacy by having your name, or the name of a loved one engraved on a commemorative brick to be placed along the Legacy Walk here at Immaculate Heart of Mary.

The brick may be engraved with a friend or family name, creating a lasting memorial.

You may also choose to honor or memorialize someone who has made a difference in your life such as a priest, a fellow parishioner, a mentor, a parent, a

spouse, a child or a friend.

Or, you may want to honor a child or grandchild for baptism, first communion, or confirmation; or as a wedding gift, or in the memory of a deceased family or friend.

We invite you to participate in this ongoing historic opportunity by purchasing an individual brick, with proceeds benefiting Immaculate Heart of Mary Church. All bricks are laser-engraved for lasting clarity.

An exact replica of your brick can be made available for display in the home or office for an additional fee. Each replica brick has felt on the bottom for protection.

To commemorate your purchase, we'll send you a Certificate of Brick Purchase and a map of the brick locations so you can locate your new piece of history at Immaculate Heart of Mary Catholic Church with ease.
